## MATHIAS KAUAGE PRIVATE VIEW

**T**he High Commissioner for Papua New Guinea, HE Sir Kina Bona, opened the exhibition of works by Mathias Kauage at the Rebecca Hossack Gallery in London's West End.

Mathias has invented his own art

form, inspired by the Chimbu people's form of self-expression – body decoration and geometric patterns inscribed on bamboo arrows and flutes – combined with influences of the urban environment in which he now lives.

HE Sir Kina Bona with Miss Virginia Ginnane (below right)

Mrs George Wyllie
