Phil Shaw. The Special Relationship, 2015

Phil Shaw. The Special Relationship

Since its foundation the Rebecca Hossack Art Gallery has been devoted to promoting both Western and Non-Western artistic traditions. Professor Phil Shaw is a British artist mostly renowned for his “Bookshelves” series. For “Londonesi Subterraneis”, created in 2012 to celebrate the 150 years of London underground, the artist collected together real book titles which refer to every tube station.
