

Art review: giant artworks of the Thames

Copyright Barbara Macfarlane

Barbara Macfarlane has created huge artworks of the River Thames and London seen from above. They're abstract enough to give a great sense of scale, but with enough detail that large sections are recognisable. New York gets the same treatment, though that's a little less familiar to us. [*Barbara Macfarlane: Landmark at Rebecca Hossack Gallery, 2a Conway Street, W1T 6BA*](#) **Until 1 April, free** ★★★☆☆ (Monday-Saturday) **Tabish Khan**
