BUNDANON TRUST DINNER

Mrs Tim Brodie hosted a dinner at Australia House in the Strand to support the Bundanon Trust. After the meal, Australian singers entertained guests with a selection of operatic arias, and a charity auction raised £15,000 towards funding a residency for a British artist.

Bundanon is a vast estate in New South Wales given to the Australian nation in 1983 by artist Arthur Boyd and his wife Yvonne. It has since become a national arts centre, with four generations of Boyds exhibiting their art there.
